

TUDELÜ SYSTEM BENEFITS

1 SPACE FLEXIBILITY

Retractable walls allow homeowners to create adaptable spaces, such as turning an open-plan living area into separate rooms (e.g., a home office, playroom, or guest room) when needed. This is ideal for small homes or apartments where maximizing space is important.

2 COST-EFFECTIVE SOLUTION

Retractable walls provide an affordable solution for homeowners seeking to enhance their living space without committing to expensive structural changes or permanent room additions.

3 DURABILITY AND SAFETY

The systems are designed to be safe, with secure locking mechanisms to prevent accidental movement, and rounded edges or other safety features to minimize the risk of injury, especially in households with children or pets.

HOME USAGE ENVIRONMENT

Tudelü system's offer homeowners greater flexibility in how they use and enjoy their living spaces. Whether for creating privacy, optimizing space, or enhancing the home's aesthetics, retractable walls are a practical addition to any modern home.

OUR SERVICES

AMERICAN

Engineering, design, and manufacture all done in the USA

MOTORIZED

100% remote controlled for zero manual effort

COMPACT

Full system has tiny footprint in ceiling, starting from 10" x 10"

INSTALLABLE

Easy install for new construction and retrofitting

Key Benefits of the **Tudelü Systems**

Customizable Sizes of up to 20ft wide x 10ft tall

36 - 48 True STC sound barrier for effective sound reduction. This is the same noise reduction as traditional dry wall.

Easy Installation, either through Tudelü direct or through our step-by-step instructions.

100% Motorized - anyone can operate this product with a simple press of a button.

Durable Material - including powder coated extruded aluminum.

Patented Technology - including Stable GripRail Technology.

Compact Footprint - featuring inset design options, meaning ZERO eye sores.

Seamless Design - No matter your dimensions, Tudelü walls won't hurt your aesthetic.

Built-in Safety - auto open feature when the system feels the slightest resistance, so you and your furniture are both safe.

Easy Maintenance - simple soap and water will keep your system looking new for years to come.
